## AA 12 Step List Sign-up Sheet

This is NOT a signup sheet to be on the Hotline. This is a signup sheet to be on the 12 STEP List. The AA HOTLINE receives calls 24 hours a day. The Hotline is the first contact that many people have with AA. When the Hotline receives calls from alcoholics who need help, Hotline Volunteers call people on the 12 Step List. These 12 Step List Members will be asked to provide help in the form of a phone call or visit to a home. It is always recommended when visiting a home that we get another sober member of AA to go with us. If you want to help, please fill in ALL information. Our Hotline Volunteers will then know when they can reach you.

When someone reaches out for help, let's make sure AA's hand is always there. Please fill in ALL information (below). Please PRINT your information CLEARLY.
