

To All Alcoholics Anonymous Groups and Members in Stanislaus County

An idea for an event was brought to CVI by District 34's DCM, Ada L. Interest had been expressed to her for a unity day type event. Subsequently, it was decided to see if the Fellowships in our area, specifically, Stanislaus County, would be interested. The idea was to have District and CVI host it as a joint venture with groups being in charge of specific event functions.

The first planning meeting was held with some great ideas and some concerns. It was determined that group reps need to ask their groups if they would be interested. A second meeting was held on July 31<sup>st</sup> and Bill M., was nominated to Chair the Committee with Jessica J., as Co-Chair. Leslie K., volunteered for Treasurer and Norene as Recording Secretary. It was also determined that the event be called All Groups Unity Day put on by the groups.

Interest has been enthusiastic, however, only two fellowships have provided specific interest as noted in their meeting minutes or rep notes. There were several other reps present but not enough to go forward efficiently.

Also, it is important that we acknowledge Ruth T., for her service and support. As she has done countless times for many special service meetings, she opened her home and hosted both of these meetings. Her generous hospitality, time and energy are greatly appreciated. Thank you, Ruth!

At this time, Bill believes that we need firm responses from the majority of the groups for substantial unanimity, and he is not alone in that. We both have worked on many conferences and events and know that a significant number of volunteers is required. Additionally, as this is a new event for us, we would be starting from scratch so more time can be anticipated.

That said, until confirmed responses have been received, any further action or meetings is suspended. If your group or fellowship would like to participate in an All Groups Unity Day, take it to your business meeting for a Group Conscience and return this form by Monday, November 6<sup>th</sup>.
